

Finacity Facilitates New Trade Finance Lines for Panama-Based Luzar Trading S.A.

Stamford, CT – March 6, 2017 – Finacity Corporation (“Finacity”) today announced its successful sourcing of a \$5 million USD trade finance line for Luzar Trading S.A., a Panama-based trading house focused especially on the trading of corn, soy, wheat and other agricultural products and their derivatives.

This initial \$5 million USD line supports the company’s sales into the Colombian market, and is part of a broader mandate under which Finacity has been engaged to assist Luzar in expanding its global funding relationships more generally. Additional credit facilities and lines are presently under discussion with other financial institutions.

About Luzar Trading S.A.

Luzar is a commodities trader with more than 100 customers across the Americas specializing in agribusiness and supporting animal feed manufacturers for poultry, hog and cattle growers, as well as prawn exporters. Luzar also serves as a charter for its own flows, in addition to third party flows. For further information, please visit www.luzartrading.com
